I wish to register for the following course:

**Certificate III in Aged Care and Certificate III in Home and Community Care commencing in April 2010 with an expected completion date in October 2010.**

This is a new and exciting community inspired course that results in two qualifications. It is offered by tafeSA with Italian Government funding to train aged and home and community care workers specialised in working with people of Italian background and offering an international perspective in aged care.
